WE SIT AT THE INTERSECTION OF TECH AND MARKET

TECHNOLOGY

The technology keeps evolving in its go to market, with more use cases and scion-powered products and services.

MARKET

More adopters in more industries and geographies.

THE WORLD OF SCION

SCION Association is a non-profit organization founded with the aim of unlocking the full potential of SCION technology.

DRIVING INNOVATION WITH OUR MEMBERS

SPECIFICATIONS

We create the technical specifications to implement SCION and bring the SCION perspective to standards development organizations.

OPEN SOURCE

We coordinate and maintain a SCION open source reference implementation.

ADOPTION

We raise awareness of SCION, create business opportunities, and promote global adoption in the market.

REGISTRY

We will soon serve the community as the Registry Authority (RA), assigning unique identifiers and ensuring community-driven governance.

SCION SPECIFICATIONS

1 Core specification under review at the IETF Independent Stream. 2 out of 3 drafts concluded the initial review today.

2 Working with researchers to further interoperate with other protocols (e.g. QUIC, Happy Eyeballs)
